Find a Humana Provider

1. Go to <https://findcare.humana.com/>
2. You can Sign In to continue your search. If you prefer to search as a guest, enter your location to search near you.
3. Select Dental, then choose PPO/Traditional Preferred as your dental plan.
4. A list of results will display. If necessary, you can also narrow the results by name, distance, or specialty.

Manage your Humana plan online

Once you become a Humana plan member, you can get the most out of your plan with a MyHumana account. You can access MyHumana at MyHumana.com, or take your Humana essentials wherever you go with the MyHumana app.

Know before you go: Estimate your dental costs

Humana's cost estimator can help you find out what dental procedures may cost before your next dental visit. Here's how you can find the cost estimator on MyHumana:

1. Sign in to MyHumana at MyHumana.com
2. Select the "Coverage" tab
3. Scroll to "Plan Benefits" in that tab
4. On the "Plan Benefits" page, scroll to the "Resources" section and select "Estimate costs for dental services"
